# What to do when you're feeling sick

As ATMC's preferred healthcare provider, Bupa offers affordable Overseas Student Health Cover with helpful advice on your healthcare needs, so you can focus on your studies.

It is important to know what to do if you get sick or have an accident while you're studying here in Australia. So we have put together a guide for you below to help you determine whether your situation is an emergency or not.

### Emergency

An **emergency** is a serious illness or injury that poses an immediate risk to your life or long-term wellbeing.

In an emergency, call the ambulance service immediately on 000

They will send you an ambulance if required

### Non-emergency

A **non-emergency** is an illness or injury that requires treatment but is not immediately life-threatening.

Use our map to find a Bupa-friendly doctor near you

Make an appointment by phone or online (if available)

The doctor will treat you, and possibly prescribe some medicine or send you on to a specialist
